

## KFM 16-15 F Bevelling tool

Art. number: **601753500**

Barcode: **4007430298454**

✓ -

### TECHNICAL FEATURES

| Parameter                                  | Measure Unit | Value                    |
|--|--------------|--------------------------|
| Type of edges                              |              | Chamfer                  |
| Cable length (m)                           | m            | 4                        |
| Smallest internal curve $\varnothing$ (mm) | mm           | 100                      |
| Maximum chamfer height @ 45° (mm)          | mm           | 15                       |
| Maximum no- load speed (min-1)             | min-1        | 0 - 12000                |
| Maximum chamfer width @ 45° (mm)           | mm           | 21                       |
| Rated input power (W)                      | W            | 1600                     |
| Output power (W)                           | W            | 900                      |
| Cutting depth grade setting (mm)           | mm           | 0.1                      |
| Rated voltage type                         |              | Corded - Electrical Grid |

### LOGISTICS INFORMATION

| Type of package | Quantity | Width<br>Length<br>Height | Volume     | Net<br>Brutto<br>Tara         | Barcode       |
|-----------------|----------|---------------------------|------------|-------------------------------|---------------|
| pieces          | 1 pieces | 24 x 60 x 35 cm           | 0.05040 m3 | 15.3500 - 16.8900 - 1.5400 kg | 4007430298454 |
