

Carbide Core Cutter Ø110mm with Holesaw Arbor SDS-plus

Art. number: **154822**

Barcode: **3800972036024**

✓ Precision and Control:
Thanks to the guide and reliable construction, the concrete hole saw guarantees stability and accuracy during operation

✓ Universal Compatibility: It can be used with various SDS-plus rotary hammers, making it a practical choice for professionals and craftsmen

✓ The aggressive design of the tungsten carbide teeth allows for high drilling speed with minimal effort

✓ The concrete hole saw is the ideal choice for electricians, plumbing specialists, installers, and builders who frequently work with concrete, brick, aerated concrete, and masonry
