

Sheet Metal Holesaw Ø16mm-30mm 5pcs Set

Art. number: **154857**

Barcode: **3800972042735**

- ✓ The 5-piece sheet metal hole saw set, with diameters ranging from Ø16 to 30 mm, is designed for drilling holes in sheet metal and other suitable thin-walled materials.
- ✓ It is suitable for installation, repair and metalworking tasks where holes of different diameters are required.
- ✓ The hole saws feature cutting teeth for efficient drilling, while the pilot drills help ensure precise positioning and make it easier to start drilling.
- ✓ The set includes five sizes, allowing the appropriate hole saw to be selected for each specific task.
- ✓ A practical solution for workshops and installation work requiring holes of various sizes.

TECHNICAL FEATURES
