

Sheet Metal Holesaw Ø16mm-30mm 6pcs Set

Art. number: **154859**

Barcode: **3800972042759**

✓ The hole saws are made of HSS (high-speed steel), which offers good hardness, strength and wear resistance when used correctly.

✓ The set includes 6 pieces in different sizes, allowing the appropriate hole saw to be selected for each specific task.

✓ They are designed for drilling holes in sheet metal and other suitable thin-walled materials.

✓ The cutting teeth ensure efficient drilling, while the pilot drill helps with precise positioning and makes it easier to start drilling.

✓ The hole saws are neatly arranged in a practical carrying case, providing convenient storage, easy access to the required size and effortless transportation of the set.
