- ✓ A high-performance abrasive consumable designed for fast and aggressive material removal when working on wood, metal, fillers, varnished surfaces, and composite materials.
- ✓ Manufactured with ceramic abrasive grains, it delivers exceptional cutting performance, extended service life, and consistent sanding results even under intensive use.
- ✓ The mesh structure allows efficient dust extraction across the entire surface of the disc, preventing clogging and maintaining constant abrasive performance. Thanks to the Velcro backing, the disc can be installed and removed quickly and easily.
