

Diamond for Hard Ceramics Hole Saws Dry for drill driver Ø42

Art. number: **189141**

Barcode: **3800972043862**

- ✓ Optimized for completely dry drilling, eliminating the need for water cooling and reducing preparation time.
- ✓ The high concentration of premium diamond grit ensures exceptional wear resistance and long service life, even under intensive use.
- ✓ The aggressive cutting-edge geometry enables fast, smooth, and clean cuts without chipping or cracking the material, significantly increasing productivity.
- ✓ Ideal for drilling natural granite, hard artificial stone, and other similar materials.
- ✓ Designed for direct mounting in the chuck of standard drills and drill drivers, providing stability and secure operation during rotation.

TECHNICAL FEATURES

Parameter	Measure Unit	Value
Cutting diameter (mm)	mm	42
Grip		Hexagonal
Application		Granite, Hard Artificial Stone
Type		Diamond - Dry Cutting
