

Filtering Half Mask FFP2 with valve 10 pcs. RD

Art. number: **561505**

Barcode: **3800972048348**

- ✓ The set of 10 RD FFP2 filtering protective masks is designed to protect the respiratory tract against solid and liquid aerosol particles.
- ✓ Each mask features an exhalation valve that makes breathing out easier and provides greater comfort during use.
- ✓ They are suitable for working in environments where dust and other particles are present, provided that the applicable safety requirements are observed.
- ✓ Before use, each mask must be checked to ensure a proper fit on the face.
