

Screwdriver with bits 9pcs TMP

Art. number: **223501**

Barcode: **3800972050792**

- ✓ Practical screwdriver set with a flexible shaft and 8 interchangeable bits from TMP, suitable for assembly, repair and servicing tasks.
- ✓ The flexible shaft makes it easier to access screws in hard-to-reach and awkward places where a standard screwdriver cannot be used easily.
- ✓ The different bits allow working with screws of various profiles and sizes, while the comfortable handle provides a secure grip and comfort during use.
- ✓ The set is suitable for use at home, in the garage, workshop or for various assembly tasks.
