

Ratchet screwdriver with bits set 115pcs TMP

Art. number: **223900**

Barcode: **3800972050884**

- ✓ The TopMaster set offers a wide variety of standard and specialized bits for assembly, repair and servicing tasks.
- ✓ The ratchet screwdriver with a direction selector allows for quick tightening and loosening of screws without the need to constantly reposition the grip.
- ✓ The quick-release chuck allows for easy bit changes and ensures secure bit retention during use.
- ✓ The set is suitable for working with fine mechanics, electronics, household appliances and various tasks around the home and workshop.
- ✓ All components are stored in a shock-resistant case with a transparent lid, rubberized corners and dedicated slots for neat and organized storage.
