

Hook and pick set 4pcs TMP

Art. number: **223906**

Barcode: **3800972050808**

✓ Practical set of 4 hooks and picks from TMP, designed for precise removal and handling of O-rings, seals, oil seals, clips and other small components.

✓ Includes a straight pick, a 90° bent hook, a full hook and a 45° hook for easier access to components in tight and hard-to-reach spaces.

✓ The ergonomic handles with rotating end caps provide a comfortable grip and precise control when working with one hand.

✓ The tips are made of finely hardened steel, while the knurled (textured) area of the handle provides a more secure grip and better control during use.
