

Board and door lifter TMP

Art. number: **250530**

Barcode: 3800972034440

- ✓ Topmaster professional aluminum lifter designed for lifting plasterboard and doors during installation
- ✓ The wide base and large clamping bracket covering each work shoe makes it easy to lift mounted panels or builtin doors
- ✓ The special bracket that covers the shoe allows easy maneuvering, lifting and moving the plate without using your hands
- ✓ It can also be used when arranging furniture or lifting other heavy objects up to 140 kg.
