

Drywall lift hoist TMP

Art. number: **250532**

Barcode: **3800972034464**

- ✓ The Topmaster drywall lifter is an excellent assistant for horizontal installation of large boards
- ✓ The main advantage is that it allows installation to be done by one person
- ✓ Extremely strong and stable construction - with a load capacity of up to 68 kg. and height adjustment up to 335 cm
- ✓ It has wheels and a locking system, which additionally provides comfort and security - during transportation and operation
- ✓ The frame tilts to the side at 65 degrees, allowing for easy and quick installation on angled walls and ceilings
