

52pcs. Screw pitch gauge TMP

Art. number: **339711**

Barcode: **3800972027466**

✓ Quickly and easily determine the thread pitch of a screw or threaded hole, containing 52 bore blades with pitches from 0.25 to 6mm. Made of chrome-plated stainless steel, it has good ductility, high strength and strong rust resistance. Stamped characters. Thread setting is done by using the lamella lying tightest in the corresponding thread, and a caliper to determine the diameter. The device does not guarantee 100% accuracy and is designed for approximate pitch determination.
