

Drywall rasp 45°, 90° TMP

Art. number: **350513**

Barcode: **3800972036512**

- ✓ Angled planing: Allows quick and precise shaping of edges at 45° or 90°, making it easier to prepare internal and external corners while contributing to a more aesthetic and stable installation.
- ✓ The blade is designed to ensure clean and smooth surface finishing.
- ✓ Features easy replacement of the cutting element when worn, which extends the tool's service life.
- ✓ Application: Ideal for preparing plasterboard panels for angled installation, beveling edges, and accurately shaping internal and external corners.

TECHNICAL FEATURES

Parameter	Measure Unit	Value
Length (mm)	mm	155
Generation		1st generation
Width (mm)	mm	58
