

Axe With Fiberglass Gandle 1150 G TMP

Art. number: **381341**

Barcode: **3800972038820**

✓ Reliable axe designed for chopping wood, splitting kindling, and various everyday tasks at home, in the yard, or while camping

✓ The blade is made of high-quality hardened C45 steel, ensuring excellent hardness, wear resistance, and long-lasting sharpness. The special hardening process increases reliability during use and extends the tool's service life

✓ The handle is made of durable fiberglass, resistant to impact and moisture, while the outer TPR coating provides a stable, comfortable, and secure grip
