Art. number: **041608**

Barcode: **3800972032026**

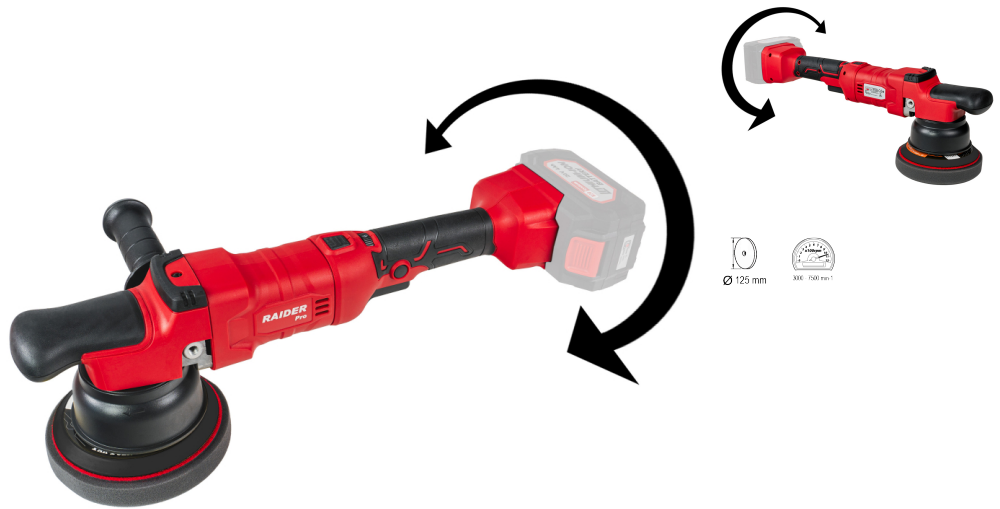

✓ R20 Polisher Ø125mm Solo RDP-JPC20 is a powerful and convenient polishing tool designed for professionals and hobbyists looking for high-quality polishing of cars, boats, furniture and other surfaces

✓ Wireless freedom providing maximum mobility and flexibility, allowing work in different locations without the need for a power grid

✓ The integrated rotary handle offers a better grip and easier control, especially when working in hard-to-reach areas or during long polishing operations

✓ Unlike traditional polishers, where the polishing disc rotates only around its axis, in double-action disc polishers, the center of the disc also rotates in an orbit around the center of the drive shaft

✓ The machine comes without battery and charger
